**AFTECH Unit of Fiserv Adds BRECO FCU to Client List**

**Malvern, Pa., March 29** - AFTECH, a provider of core processing to credit unions nationwide and a business unit of Fiserv, Inc. (Nasdaq: FISV), has added BRECO Federal Credit Union to its Advantage in-house client list this month. BRECO FCU, based in Baton Rouge, La., and with 4,500 members, will convert to the AFTECH system in June 2006.

BRECO FCU's investment in AFTECH brings to the \$35 million credit union the full range of AFTECH's Advantage member service products. In addition, the credit union will offer aftech@net, AFTECH's home banking product; credit and debit card processing; audio response; and the Wisdom suite of financial products, all backed by AFTECH's disaster recovery capabilities.

"We look forward to moving to the AFTECH Advantage system," said Ronnie Stephens, CEO of BRECO FCU. "AFTECH's support for its other Louisiana clients in the wake of Hurricane Katrina indicated to us that this really was a company with reliable people and reliable solutions."

AFTECH, a unit of Fiserv, Inc., provides the Advantage core processing system to credit unions either in-house or as an ASP, and also provides best-of-breed Internet member service tools, including aftech@net.

Fiserv, Inc. (Nasdaq: FISV) provides information management systems and services to the financial and health benefits industries, including transaction processing, business process outsourcing and software and systems solutions. The company serves more than 17,000 clients worldwide, including banks, credit unions, financial planners and investment advisers, insurance

companies and agents, self-funded employers, lenders and savings institutions. Headquartered in Brookfield, Wis., Fiserv reported \$4.1 billion in total revenues for 2005. Fiserv was ranked the largest provider of information technology services to the U.S. financial services industry in the 2004 and 2005 FinTech 100 surveys by the *American Banker* newspaper and the Financial Insights research firm. Fiserv can be found on the Internet at [www.fiserv.com](http://www.fiserv.com).
